2021-2022 School Year

Dear Avondale Elementary School District Families:

It is with great pleasure that we welcome you to the 2021-2022 school year. We are ever grateful to our AESD community for their ongoing connections to our district and schools. Throughout what has been an incredibly difficult and challenging 18 months, AESD has been able to continue to stay true to our mission, to grow every child as a thinker, problem solver and communicator to pursue their future without limits. We have relied heavily on the long-standing relationships and history of excellence to continue to be your District of Choice.

Speaking of choice… AESD has been named one of the Top three districts for Best in the West in three categories! AESD is in the top three for Best District and Best Place to Work categories. As well, our Preschool has been awarded the top three for Best Preschool! This affirms what we know, AESD is the best place to live, learn and work!

We are looking forward to this school year to continue to deepen our bonds and redouble our efforts to achieving positive student outcomes. The challenges experienced will not distract us from knowing the foundations laid in AESD will last a lifetime. We are beyond proud of our AESD staff for ensuring the success of our children now and into their limitless future.

Thank you to our families who have made AESD your district of choice. We are thrilled and prepared to serve you and your children as we navigate this new school year and all that it brings. We are planning to reintroduce extracurricular opportunities for children to engage; as well as, hope to have field trips return as soon as possible. In the meantime, I am certain you have noticed the improvements in our facilities. We have had work done either inside or outside each of our campuses to include new classroom cabinetry and furniture, new playgrounds for school and community use and weatherization of sites to ensure our families reflect the excellence we know our community deserves. Further, our 1-1 technology for use both in school and at home and improvements to safety on our campuses are a direct result of your support. Thank you to our AESD voters for making sure we can make these improvements happen through voting “YES” for our bonds and overrides.

Throughout the transitions that have occurred with the pandemic, we have maintained our excellent offerings and, with your ongoing support, have continued with learning and connections to our incredible educators. Entering the new school year, I wanted to highlight some of our incredible opportunities. In AESD, we have something for everyone including the following:

- High school Algebra and Spanish (added this year) with Agua Fria High School District
- Art, Music, PE for all students in grades K-8
- Computer Science programming for all students in grades K-8
- Before and aftercare programs
- Award winning Preschool and Head Start on our school sites
- State-of-the-art Mobile STEAM Lab
- Read Better Be Better

AESD is committed to maintaining the safest facilities possible. AESD continues to engage with HealthyVerify. HealthyVerify uses experts in the field of infectious diseases to develop protocols with comprehensive mitigations strategies and procedures for our sites. You can find these procedures on our website at https://www.chooseaesd.org/Page/642.

The center of our work in AESD is based on our Kids at Hope framework. It focuses on the following tenets and provides the foundation for our students and our approach to educating beyond the classroom.

- We believe… all children are capable of success, NO EXCEPTIONS.
- We connect… all children to caring adults to reveal and grow the possibilities.
- We time travel…we prepare students for their future by time traveling to allow children to see their potential in four destinations and to plan for it today.

Please stay connected via our social media outlets and as always, send your photos, celebrations and successes to media@chooseAESD.org.

We are here to ensure your child grows as a thinker, problem solver and communicator to pursue their future without limits! We believe every child deserves an Avondale Elementary School District Education.

If I can be of service, please contact me at 623-772-5000.

Sincerely,

Superintendent

Communication Between School and Home

Communication between the school and home is very important. In order to help parents know what is happening at school, we use a variety of methods, including the following:

**Marquee:** Events are posted on the school’s digital marquee at various times during the year.

**Email:** As we continue to go green, we encourage each student to have one parent/guardian’s email address as the email contact for electronic communications. Blackboard is used for immediate communications.

**School and District Messages and Newsletters:** These will be emailed to the parent/guardian’s email address provided throughout the year or sent home in student backpacks. Flyers can also be found on the PeachJar page: https://app.peachjar.com/flyers/all/districts/35475/.

**Notes:** Notes may be sent home by the teachers and administrators frequently throughout the year in student backpacks or via email.

**Students:** Students know about their school. They are invaluable sources of information. Talk to them about what they enjoy, what is coming up soon, etc.

**Home Visits:** These may be made by the teachers, nurses, and administration throughout the year.

**Parent Teacher Organizations and Volunteers:** Each school has a Parent Organization, which all parents are encouraged to be an active member. Also, we welcome parents to volunteer on campus (currently all on campus volunteer opportunities are suspended until further notice due to the pandemic). Please notify the school administrator if you would like to become more involved.

STUDENT ENROLLMENT

ADMISSION OF CHILDREN
The parent, guardian, or surrogate of each new enrollee in the District, except homeless pupils as defined in A.R.S. 15-824 and 15-802(B), will be asked to produce the following (POLICIES JF AND JFAA):

KINDERGARTEN / 1st GRADE
- KINDERGARTEN - A child shall be eligible for admission to kindergarten if he/she is at least five (5) years of age before September 1st of the current school year* (A.R.S. 15-821B).

*The Board may admit children who have not reached the required age as prescribed above if it is determined to be in the best interest of the children, and such children must reach the required age of five (5) for kindergarten and six (6) for first grade by January 1 of the current school year. Children who turn five (5) between September 1 and December 31, may be assessed to determine readiness for early entrance into kindergarten.

- 1st GRADE - Avondale Elementary School District will accept documentation that a child has been enrolled and successfully completed a kindergarten program (private or charter school) to enroll in 1st grade. Staff will closely monitor students that are less than six (6) years of age prior to September 1st, including the teachers, school principal, and other instructional staff. All considerations will be in the best interest of the child’s learning progress and educational program.
  ♦ A certified copy of the child’s birth certificate
  ♦ Immunization Records
  ♦ 2 Proofs of Residency
  ♦ Notarized proof of Guardianship if applicable

TITLE IX SEXUAL HARASSMENT
Title IX of the Federal Education Amendments Act protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance. The District does not discriminate on the basis of sex and is required by Title IX not to discriminate in such a manner. The District adheres to all conditions established by Title IX by recognizing the right of every student who attends school in the District to do so without the fear of sexual harassment.

ADMISSION OF RESIDENT STUDENTS
A student who is a resident of the District and who meets the applicable age requirements established by state law shall be admitted without payment of tuition to the school in the attendance area in which the student resides and may be admitted as a resident transfer student to another school in the District in accordance with the District’s open enrollment policy.

The following students are residents of the District:
- A student who is in the legal custody of a natural or adoptive parent or other person to whom custody has been granted by a court order and who resides with the parent or other person in the District.
- A student who is an emancipated minor and whose place of residence is in the District. When determining whether a minor is emancipated, the Superintendent will consider such factors as whether the student is married, financially independent, and residing away from the family domicile with parental consent.
- A student who is eighteen (18) years of age or older and whose place of residence is in the District.
- A student who is homeless, and who attended a school in the District at the time of becoming homeless.
STUDENT ENROLLMENT

- A student who resides with a family member living in the District while awaiting the outcome of a legal guardianship or custody proceeding if the family provides written documentary proof in accord with 15-821(D).

The residency of a student, natural or adoptive parent, or other person to whom custody of the student has been granted by court order shall be based upon evidence of the individual’s physical presence and intent to remain in the District. Such evidence of residency may be determined by using the following verifiable documentation.

Verifiable Documentation

A.R.S. 15-802(B) requires school districts and charter schools to obtain and maintain verifiable documentation of Arizona residency upon enrollment in an Arizona public school. This policy is written to assist school districts and charter schools in meeting and legal requirements of the statute.

The documentation required by A.R.S. 15-802 must be provided each time a student enrolls in a school district or charter school in this state, and reaffirmed during the district or charter’s annual registration process via the district or charter’s annual registration form. The documentation supporting Arizona residency should be maintained according to the school’s records retention schedule.

In general, students will fall into one (1) of two (2) groups: 1) those whose parent or legal guardian is able to provide documentation bearing his or her name and address; and 2) those whose parent/legal guardian cannot document his or her own residence because of extenuating circumstances including, but no limited to, that the family’s household is multi-generations. Different documentation is required for each circumstance.

Parent(s) or legal guardian(s) that maintains his or her own resident: The parent or legal guardian must complete and sign a form indicating his or her name, the name of the school district, school site, or charter school in which the student is being enrolled, and provide one (1) of the following documents, which bear the parent or legal guardian’s full name and residential address or physical description of the property where the student resides (no P.O. Boxes):

- Valid Arizona driver’s license. Arizona identification card.
- Valid Arizona motor vehicle registration.
- Valid Arizona Address Confidentiality Program authorization card.
- Property deed.
- Mortgage documents.
- Property tax bill.
- Rental agreement or lease (including Section 8 agreement or off-base military housing).
- Utility bill (water, electric, gas, cable phone)
- Bank or credit card statement.
- W-2 wage statement.
- Payroll stub.
- Certificate of tribal enrollment (506 form) or other identification issued by a recognized Indian tribe located in Arizona.
- Documentation from a state, tribal or federal government agency (Social Security Administration, Veteran’s Administration, Arizona Department of Economic Security, etc.)
- Temporary on-base billeting facility (for military families)
- I am currently unable to provide any of the foregoing documents. Therefore, I have provided an original affidavit signed and notarized by an Arizona resident who attests that I have established residence in Arizona with the person signing the affidavit.
STUDENT ENROLLMENT

Parent(s) or legal guardian(s) that does not maintain his or her own resident: The parent or legal guardian must complete and sign a form indicating his or her name, the name of the school district, school site, or charter school in which the student is being enrolled, and submit a signed, notarized affidavit bearing the name and address of the person who maintains the residence where the student lives attesting to the fact that the student resides at that address, along with a document from the bulleted list above bearing the name and address of the person who maintains the residence.

Use of and Retention of Documents by Schools
School officials must retain a copy of the attestations or affidavits and copies of any supporting documentation presented for each student (photocopies acceptable) that school officials believe establish validity. Documents presented may be different in each circumstance, and unique to the living situation of the student. Documents retained by the school district or charter school may be used as an indicia of residency; however, documentation is subject to audit by the Arizona Department of Education. Personally identifiable information other than name and address (SSN, account numbers, etc.) should be redacted from the documentation either by the parent/guardian or the school official prior to filing.

ADMISSION OF NONRESIDENT STUDENTS
For purposes of open enrollment a “nonresident pupil” means a student who resides in this state and who is enrolled in or is seeking enrollment in a school district other than the school district in which the student resides. A student who is not a resident of the District but is a resident of Arizona who meets the age and other requirements for open enrollment established by state law and District policy shall be admitted to a school without payment of tuition.

A student shall also be admitted to a school without tuition payment, if:

♦ The student is the child of a United States resident who is not a resident of Arizona, if this is in the best interest of the student and the student is placed with a relative per A.R.S. 15-823 and the placement is not to avoid tuition payment.

♦ The student is a resident of the United States and evidence indicates that because the parents are homeless or the child is abandoned, as defined in A.R.S. 8-201, the child’s physical, mental, moral or emotional health is best served by placement with a person who does not have legal custody of the child and who is a resident within the school district, unless it is determined that the placement is solely for the purpose of obtaining an education in this state without payment of tuition.

♦ The student presents a certificate of educational convenience issued by the County School Superintendent pursuant to A.R.S. 15-825.

♦ The student is a child of a nonresident teaching or research faculty member of a community college district or state university or a nonresident graduate or undergraduate student of a community college district or state university whose parent’s presence at the district or university is of international, national, state, or local benefit.

“Residence” Defined

The residence of a student is the residence of the person having legal custody of the student, except as provided in A.R.S. 15-823 through A.R.S. 15-825.

Residency of the parent/guardian or surrogate may be determined by showing the individual’s presence and intent to remain in the District. Documentation of residency may be determined by using the following verifiable documentation.

Verifiable Documentation

A.R.S. 15-802(B) requires school districts and charter schools to obtain and maintain verifiable documentation of Arizona residency upon enrollment in an Arizona public school. This policy is written to assist school districts and charter schools in meeting the legal requirements of the statute.

The documentation required by A.R.S. 15-802 must be provided each time a student enrolls in a school district or charter school in this state, and reaffirmed during the district or charter’s annual registration process via the district or charter’s annual registration form. The documentation supporting Arizona residency should be maintained according to the school’s records retention schedule.

In general, students will fall into one (1) of two (2) groups: 1) those whose parent or legal guardian is able to provide documentation bearing his or her name and address; and 2) those whose parent/legal guardian cannot document his or her own residence because of extenuating circumstances including, but no limited to, that the family’s household is multi-generational. Different documentation is required for each circumstance.

Parent(s) or legal guardian(s) that maintains his or her own resident: The parent or legal guardian must complete and sign a form indicating his or her name, the name of the school district, school site, or charter school in which the student is being enrolled, and provide one (1) of the following documents, which bear the parent or legal guardian’s full name and residential address or physical description of the property where the student resides (no P.O. Boxes):

♦ Valid Arizona driver’s license. Arizona identification card.
♦ Valid Arizona motor vehicle registration.
♦ Valid Arizona Address Confidentiality Program authorization card.
♦ Property Deed.
♦ Mortgage Documents.

IMMUNIZATION OF STUDENTS
Immunization records are required for attendance of any child in any District school. As of January 1, 1992, schools shall forbid attendance of (suspend) any student not meeting the requirement for immunization or exemption from immunization and shall suspend such student pursuant to A.R.S. 15-843 (POLICY JLCB-R).

- Children who have received the necessary immunization and booster doses in the primary grades will not require booster immunizations until they reach the junior high school age.

CHILD CUSTODY

If you have a court order that limits the rights of one parent in matters such as custody or visitation, please furnish a current copy to the office. EQUAL RIGHTS MUST BE PROVIDED to both parents unless a court order stating otherwise is on file in the school office.

Student Behavior and Expectations

In order to ensure that every student has every opportunity to pursue a quality education, the following policies and procedures have been established to help create a safe and orderly learning environment at our campuses. If you have any questions regarding this information, please contact your student’s teacher or administrator as soon as possible.

EACH STUDENT MUST REMEMBER THE FOLLOWING:

1. YOU ARE RESPONSIBLE FOR YOUR OWN ACTIONS. If your actions violate, either the school or district rules, then you will have to accept the consequences.

2. Arizona law (Title 15) authorizes the school district to hold you accountable for your behavior on the way to and from school, while at school, and during any school sponsored activities.

3. School discipline may result for student actions that are taken outside of the school and the school day to deliberately defy or circumvent the authority of the school.

4. Any instances of trespassing, burglary, or vandalism, etc. of any district/school property or the property of school personnel at any time (including after school, during weekends, during vacations, etc.) will result in district/school disciplinary action being taken, as well as referral to the appropriate law enforcement.

5. You are required to “comply with the regulations, pursue the required course of study, and submit to the authority of the teachers and governing board.” A.R.S. Title 15, Section (A)

6. In order to help provide assistance for our students, administrators and teachers are available to discuss your individual needs, interests, and/or problems. If you wish, you may see our school counselor or psychologist.

THE MAIN THING TO REMEMBER IS TO TALK TO A SCHOOL OFFICIAL IF THERE IS SOMETHING WE CAN DO TO HELP YOU.

Title IX Sexual Harassment

Title IX of the Federal Education Amendments Act protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance. The District does not discriminate on the basis of sex and is required by Title IX not to discriminate in such a manner. The District adheres to all conditions established by Title IX by recognizing the right of every student who attends school in the District and every employee who works in the District to do so without the fear of sexual harassment.

The District accepts and shall employ the definition of sexual harassment as established by the Title IX regulations. Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

A. An employee of the District conditioning the provision of an aid, benefit, or service of the District on an individual’s participation in unwelcome sexual conduct;

B. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District’s education program or activity; or

The District also accepts and shall employ the definition of a complainant as an individual who is alleged to be the victim of conduct that could constitute sexual harassment, and a respondent as an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

The District shall designate and authorize an employee as the “Title IX Coordinator” to comply with its responsibilities pertaining to sexual harassment under Title IX. Inquiries about the application of Title IX may be referred to the District’s Title IX Coordinator. Any person may report sex discrimination, including sexual harassment, regardless of whether the person reporting is the person alleged to be the victim of the reported conduct or not. A report may be made in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report. Such a report may be made at any time (including during non-business hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator. The District shall notify students, parents or legal guardians of students, employees, applicants for employment, and all unions or professional organizations holding collective bargaining or professional agreements with the District, of the name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator.

The District will respond promptly when any school employee has notice of sexual harassment. Upon receipt of notice of sexual harassment, the District shall notify students, parents or legal guardians of students, employees, applicants for employment, and all unions or professional organizations holding collective bargaining or professional agreements with the District, of the District’s grievance procedures and grievance process, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how the District shall respond. The District is committed to investigating each formal complaint submitted and to taking appropriate action on all confirmed violations of policy. The District shall follow grievance procedures that provide for the prompt and equitable resolution of complaints from students and employees alleging sexual harassment.

Passion and Commitment for Educational Excellence
The District shall, to the extent reasonably feasible, keep confidential the identity of any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as is necessary to carry out the grievance process and as may otherwise be permitted by law.

Title IX sexual harassment complaints may include violations covered by Arizona’s mandatory reporting statute, A.R.S. §13-3620. Any abuses classified by statute as “reportable offenses” must be reported as such to the authorities because not reporting a reportable offense is classified as a Class 6 Felony.

Retaliation Prohibited
Neither the District nor any person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has in good faith made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing. Intimidation, threats, coercion, or discrimination, including charges against an individual for violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

**Hazing**

There shall be no hazing, solicitation to engage in hazing, or aiding and abetting another who is engaged in hazing of any person enrolled, accepted for or promoted to enrollment, or intending to enroll or be promoted to District schools within twelve (12) calendar months. For purposes of this policy a person as specified above shall be considered a "student" until graduation, transfer, promotion or withdrawal from the District school.

"Hazing" means any intentional, knowing or reckless act committed by a student, whether individually or in concert with other persons, against another student, and in which both of the following apply:

- The act was committed in connection with an initiation into, an affiliation with, or the maintenance of membership in any organization that is affiliated with an educational institution.
- The act contributes to a substantial risk of potential physical injury, mental harm or degradation, or causes physical injury, mental harm or personal degradation.

"Organization" means an athletic team, association, order, society, corps, cooperative, club, or similar group that is affiliated with an educational institution and whose membership consists primarily of students enrolled at that educational institution.

It is no defense to a violation of this policy if the victim consented or acquiesced to hazing. In accordance with statute, violations of this policy do not include either of the following:

- Customary athletic events, contests or competitions that are sponsored by an educational institution.
- Any activity or conduct that furthers the goals of a legitimate educational curriculum, a legitimate extracurricular program, or a legitimate military training program.

All students, teachers and staff shall take reasonable measures within the scope of their individual authority to prevent violations of this policy.

Students and others may report hazing to any professional staff member. Professional staff members must report the incident to the school administrator or next higher administrative supervisor, in writing, with such details as may have been provided. Failures by a staff member to timely inform the school administrator or next higher administrative supervisor of a hazing allegation or their observation of an incident of hazing may subject the staff member to disciplinary action in accord with District policies. The staff member shall preserve the confidentiality of those involved, disclosing the incident only to the appropriate school administrator or next higher administrative supervisor or as otherwise required by law. Any instance of reported or observed hazing, which includes possible child abuse, or violations of statutes known to the staff member shall be treated in accordance with statutory requirements and be reported to a law enforcement agency.

To assure that students and staff are aware of its content and intent, a notice of this policy and procedure shall be posted conspicuously in each school building and shall be made a part of the rights and responsibilities section of the student handbook. Forms for submitting complaints are to be available to students and staff in the school offices.

Disposition of all reports/complaints shall be reported to the Superintendent. The Superintendent will determine if the policies of the District have been appropriately implemented and will make such reports and/or referrals to the Board as may be necessary.

STUDENT VIOLENCE / HARASSMENT / INTIMIDATION / BULLYING Policy JICK

The Governing Board of the Avondale Elementary School District believes it is the right of every student to be educated in a positive, safe, caring, and respectful learning environment. The Governing Board further believes a school environment that is inclusive of these traits maximizes student achievement, fosters student personal growth, and helps a student build a sense of community that promotes positive participation as citizens in society.

To assist in achieving a school environment based on the beliefs of the Governing Board, bullying in any form will not be tolerated.

Bullying: Bullying may occur when a student or group of students engages in any form of behavior that includes such acts as intimidation and/or harassment that:

- Has the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm or damage to property;
- Is sufficiently severe, persistent or pervasive that the action, behavior, or threat creates an intimidating, threatening, or abusive environment in the form of physical or emotional harm;
- Occurs when there is a real or perceived imbalance of power or strength; or
- May constitute a violation of law.

Bullying of a student or group of students can be manifested through written, verbal, physical, or emotional means and may occur in a variety of forms including, but not limited to, the following:

- Verbal, written/printed or graphic exposure to derogatory comments, extortion, exploitation, name calling, or rumor spreading either directly through another person or group or through cyberbullying;
- Exposure to social exclusion or ostracism;
- Physical contact including but not limited to pushing, hitting, kicking, shoving, or spitting;

Intentional behaviors that characterize harassment include, but are not limited to, stalking, hazing, social exclusion, name calling, unwanted physical contact and unwelcome verbal or written comments, photographs and graphics. Harassment may be related, but not limited to, race, religious orientation, sexual preference, cultural background, economic status, size or...

personal appearance. Harassing behaviors can be direct or indirect and by use of social media.

*Intimidation:* Intimidation is intentional behavior by a student or group of students that places another student or group of students in fear of harm of person or property. Intimidation can be manifested emotionally or physically, either directly or indirectly, and by use of social media.

Students are prohibited from bullying on school grounds, school property, school buses, at school bus stops, at school sponsored events and activities, and through the use of electronic technology or electronic communication equipment on school computers, networks, forums, or mailings lists.

Disciplinary action may result for bullying which occurs outside of the school and the school day when such acts result in a substantial physical, mental, or emotional negative effect on the victim physically, while on school grounds, school property, school buses, at school bus stops, or at school sponsored events and activities, or when such act(s) interfere with the authority of the school system to maintain order. All suspected violations of law must be reported to local law enforcement.

Students who believe they are experiencing being bullied or expect another student is bullied should report their concern to any staff member of the School District. School personnel are to maintain appropriate confidentiality of the reported information.

Reprisal by any student directed toward a student or employee related to the reporting of a case or a suspected case of bullying shall not be tolerated, and the individual(s) will be subject to the disciplines set out in applicable District policies and administrative regulations.

Students found to be bullying others will be disciplined up to and including suspension or expulsion from school.

Knowingly submitting a false report under this policy shall subject the student to discipline up to and including suspension or expulsion. Where disciplinary action is necessary pursuant to any part of this policy, relevant District policies shall be followed.

Law enforcement authorities shall be notified any time District officials have a reasonable belief that any incident of bullying is a violation of the law.
**Student Behavior and Expectations**

**NONDISCRIMINATION / EQUAL OPPORTUNITY**

**PROCEDURE FOR COMPLAINTS CONCERNING RACIAL AND OTHER HARASSMENT OR DISCRIMINATION**

It shall be a violation of District policy for any individual including students, teachers, administrators, or other school personnel to harass or otherwise discriminate against a student or staff member on the basis of race, color, sex, national origin, ethnicity, disability and sexual orientation, as defined by this policy.

For purposes of this procedure, harassment means unwelcome conduct that is sufficiently severe, persistent or pervasive that it creates an intimidating, hostile, or offensive educational or work environment.

**Complaint Procedure**

Any individual who believes that they have been the victim of discrimination or harassment can file a complaint with the Superintendent’s office. In the event that the Superintendent’s office is implicated in the discrimination or harassment complaint, the District will designate an alternative individual to receive and to investigate the complaint. Parents or guardians may also file complaints of discrimination or harassment against students. A complaint should be in writing but the District will accept oral complaints under certain circumstances such as the age of the reporting party, ability to effectively communicate or write a complaint or other applicable factors. At a minimum, it must identify the nature of the alleged discrimination or harassment, the facts upon which the complaint is based, the names of the participants and the identities of all known witnesses. Complaints should be filed as soon as possible, and no later than thirty school days after the conduct in question occurs.

School personnel who become aware of facts that indicate that discrimination or harassment is occurring must report it to any District supervisory staff.

Title VI of the Civil Rights Act of 1964 requires recipients of Federal financial aid from the Department to ensure discrimination does not occur and to take appropriate action to stop such discrimination, if it does. Office for Civil Rights (OCR) interprets Title VI’s protections to include any individuals present on a recipient’s property including those applying for employment with a recipient and members of the public.

While the standards of severe, persistent and pervasive do apply to a hostile environment analysis, some claims of discrimination, such as an allegation of disparate treatment or disparate impact, do not utilize this standard. Discrimination may include such acts as excluding from or limiting a person’s enjoyment of any benefits, services or provided by a recipient. With respect to harassment specifically, OCR routinely advises districts that they may not want to create the expectation that harassing incidents should not be reported unless it rises to the level of a hostile environment. To that end, OCR would like to see the definition of discrimination and harassment expanded pursuant to OCR *Racial Incidents and Harassment Against Students at Educational Institutions; Investigative Guidance*, 59 Fed. Reg. 11,448 (Mar. 10, 1994).

Title VI of the Civil Right Act of 1964 states that recipients of Federal financial aid from the Department are required to ensure that discrimination does not occur and to take action to stop such discrimination if a recipient knows or should have known of such acts. OCR interprets this to mean if an individual acting in
Student Behavior and Expectations

good faith tells a school staff member that they believe discrimination is occurring then the District will be held to the standard of should have reasonably known such acts were occurring.

There shall be no retaliation against any individual who makes a good-faith complaint or report of discrimination or harassment.

Investigation

The Superintendent or a designee of the Superintendent shall investigate all such complaints and reports promptly. In the course of the investigation, the investigator shall afford all parties to the complaint an opportunity to present written and oral evidence.

Findings

The investigator shall provide written findings concerning the complaint within forty-five (45) days of receiving the complaint. This deadline may be extended for good cause. The findings should include:

- A statement of the complaining party’s allegations.
- A description of the scope of the investigation, including witnesses who were questioned (subject to the requirements of the Federal Education Records and Privacy Act) and, if applicable, documents that were reviewed.
- The investigator’s conclusions with regard to the relevant facts.
- The investigator’s conclusions with regard to the accuracy of the allegations.
- If the allegations are found to be accurate, and subject to the privacy rights and interests of the individuals involved, a description of corrective actions that would be appropriate.

The complaining party and anyone who has been accused of discrimination or harassment shall be given a copy of the findings.

Appeal Procedure

If an investigation has been conducted and findings made by a designee of the Superintendent, either party to the complaint may appeal all or any portion of the findings to the Superintendent within ten days after receiving the findings. The appeal shall be in writing and shall state why the complaining party disagrees with the findings. The Superintendent shall rule on the appeal in writing within thirty school days. The complaining party and anyone who has been accused of discrimination or harassment shall be given a copy of the Superintendent’s decision regarding the appeal.

Corrective Action

Employees or students who engage in harassment shall be disciplined in accordance with the appropriate disciplinary policies and procedures, including the due-process procedures afforded by those policies and procedures.

If a complaint of harassment is found to be accurate, the Superintendent shall take such additional remedial action as may be appropriate. That may include, but is not limited to, counseling for the victim and/or the perpetrator; steps to protect the victim from further harassment; and/or steps to protect a complaining party against retaliation.

All violations of this policy shall be treated in accordance with the appropriate procedures and penalties provided for in District policies related to the conduct and discipline of students, staff, and others. Administration will exercise discretion when determining consequences of infractions. An asterisk (*) indicates that the violation must be reported to ADE. A double asterisk (**) indicates that the violation must be reported to ADE and a police report may be filed.

BUS TRANSPORTATION

RIDING THE SCHOOL BUS IS A PRIVILEGE GRANTED BY THE SCHOOL DISTRICT AND IS NOT THE RIGHT OF THE STUDENT. ONLY STUDENTS ELIGIBLE FOR BUS TRANSPORTATION WILL BE PERMITTED TO RIDE THE BUS. Students riding on special activity buses are under the district supervision of the bus driver in cooperation with the sponsor(s). It is the student’s responsibility to do the following (Policy EEAEC):

- AESD can’t guarantee social distancing for students riding the bus, however, masks for drivers and students are required.
- Please observe social distancing and wear masks while waiting at a bus stop.
- Be on time for the bus. Parent/guardian will be responsible for transporting students who miss the bus.
- Respect private property at bus stops (no littering, trespassing, or vandalism).
- Conform to the same behavior/rules as required on school campuses.
- Respect bus property (no littering or vandalism). Parents will be charged for bus damage caused by students.
- Enter and leave the bus in an orderly manner.
- Keep the bus aisles clear at all times.
- Once a student is on the bus, he/she may not be removed without Principal permission.

Please have your child at the bus stop 10 minutes before the scheduled arrival time.

BUS CONDUCT RULES

The following rules will be enforced any time students are transported by a District vehicle (Policy EEAEC) and guidelines detailed in the Minimum Standards pamphlet published by the Department of Public Safety.

1. Stay in your seat at all times
2. Listen to the operator and aide
3. No food or drinks on the bus except plastic bottles with water only
4. No shouting
5. Keep your arms and head in the bus
6. Keep your hands to yourself/no fighting
7. Do not throw things
8. No animals of any type on the bus

Passion and Commitment for Educational Excellence
30
Student Behavior and Expectations

9. All objects brought on the bus must fit in the student’s lap (i.e. band equipment)
10. No balloons on the bus
11. No glass on the bus
12. All students must obey all safety rules

BUS CONDUCT CONSEQUENCES

All students eligible for transportation have the right to safe and efficient transport. Rules for bus conduct also apply to students at bus stops and drop-off points. Disciplinary measures will be handled as deemed appropriate. Should revocation of bus privileges be required, parents will be responsible for transporting the student to and from school. Specific disciplinary and revocation processes will be discussed with the building administrators and transportation director (Policy EEAEC). A progression of consequences based on student infractions will occur. Each situation will be investigated and student due process enacted. Consequences may include verbal warning through suspension of transportation privileges.

SPECIAL EDUCATION TRANSPORTATION RULES

In addition to general bus conduct rules, the following regulations pertain to needs of special education students. These regulations will ensure the most efficient transportation of students.

1. Students should be ready to board the bus at least ten minutes earlier than the scheduled pick up time. If the pickup location is the student’s home, the bus will wait two minutes. The bus driver will not sound the bus horn or dispatch the bus aide to summon students.

2. Parents/guardians WILL BE responsible for transporting students to school who miss the bus.

3. Students who require assistance to get to their designated pickup location will be assisted by parents/guardians. Under NO circumstances will the bus driver or bus aide leave the school bus, except to operate wheelchair lifts.

4. Parents/guardians must meet the bus to aid students who require assistance to get from their homes. The bus driver and bus aide will assist students ONLY in getting off the school bus. If parent/guardian is not present, the student will be returned to his/her school.

GANG ACTIVITY OR ASSOCIATION

Gangs that initiate, advocate, or promote activities that threaten the safety or well-being of persons or property on school grounds or disrupt the school environment are harmful to the educational process. The use of hand signals, graffiti, pictures, drawings, etc., or the presence of any apparel, jewelry, accessory, or manner of dress or grooming that, by virtue of its color, arrangement, trademark, symbol, or any other attribute indicates or implies membership or affiliation with such a group is prohibited because of the disruption to educational activities that results from such activities or dress. It is the District’s position that such activities and dress also present a clear and present danger to other District students and to District staff members.

Any activity involving initiation, hazing, intimidation, assault, or other activity related to group affiliation that is likely to cause or does cause bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm to students or others is prohibited.

Any student wearing, carrying, or displaying gang paraphernalia and/or exhibiting behavior or gestures that symbolize gang membership, or causing and/or participating in activities that intimidate or adversely
Student Behavior and Expectations

affect the educational activities of another student, or the orderly operation of the schools, shall be subject to disciplinary action.

PERSONAL PROPERTY

The Avondale Elementary School District assumes no responsibility for student personal items that are lost or stolen on school property or at school sponsored events. Students are discouraged from bringing costly, fragile or irreplaceable items to school that cannot be secured by the owner.

CATEGORIES OF DISCIPLINARY ACTIONS

If a student is referred to an administrator by a teacher/school employee for violations of classroom/school rules or for a serious offense, then the disciplinary action taken may be determined by the severity of the offense, the student’s past conduct, the student’s cooperation and attitude, and any other circumstances which are unique to the situation under consideration (actions taken by teachers follow the same rationale). Therefore, a school official may take any one or more of the following actions. Note: Administration will exercise discretion when determining consequences.

♦ INFORMAL TALK: A school official (teacher or administrator) will talk to the student and try to reach an agreement regarding how the student should behave.

♦ CONFERENCE: A formal conference is held between the student and one or more school officials. During this conference, the student must agree to correct his/her behavior.

♦ DETENTION: The student is required to spend a specific amount of time in detention.

♦ PARENT INVOLVEMENT: Parent(s)/guardian(s) are notified by telephone, personal contact, letter, or certified letter. A conference may be conducted between the student, his/her parent(s), and appropriate school personnel.

♦ ALTERNATIVE CLASSROOM PLACEMENT (ACP): The student will be placed in an alternative school placement for a number of designated days. Under supervision, a student will complete the work assigned by the ACP teacher and the classroom teacher. Students remain in the ACP room all day with the exception of two restroom breaks and a brief walk to the cafeteria to get lunch. Lunch will be taken back and eaten in the ACP room.

♦ SUSPENSION: The student is informed that he/she is subject to suspension (ten days or less) and the infraction is explained. The suspension does not start until the due process procedure has been completed. Long-term suspension is a suspension from school for more than 10 days. Parent contact and a hearing will be scheduled with the district hearing officer.

♦ EXPULSION: Expulsion is the most serious disciplinary action that may be taken by a school district. Expulsion proceedings are conducted by the Avondale District Governing Board (or its duly appointed representative). The student and his/her parent/guardian will be informed about the specific due process procedures JKD/JKE/JIA (1) prior to any action being taken. Appropriate communications between the involved parties will be initiated and

Passion and Commitment for Educational Excellence

Student Behavior and Expectations

maintained by the district during the entire expulsion process. A student who is expelled is no longer allowed to attend school in the Avondale Elementary School District #44. According to A.R.S. 15-841 (C) “A school district may refuse to admit any pupil who has been expelled from another educational institution or who is in the process of being expelled from another educational institution.”

• REFERRALS TO THE POLICE OR OTHER AGENCY: Infractions may occur that also violate state law; therefore, in certain circumstances, it may become necessary to make a referral to the police (or other) agency. If this occurs, a school administrator will attempt to contact parents whether by telephone or by letter (unless this is prohibited by the agency contacted). Any action taken by such agency will be separate and distinct from the action taken by the school.

• OTHER: Disciplinary actions other than those discussed above may be utilized in order to more adequately meet the needs of the individual students in unique situations. This flexibility is necessary to enable us to achieve positive results and to be fair in working with our students.

STUDENT DUE PROCESS PROCEDURE/DISTRICT POLICY:

Students will be granted an informal hearing where he/she will receive written or oral notice of what he/she is accused and the evidence of the alleged misconduct. He/she is then asked to explain his/her version of the situation. After this informal hearing, the appointed District authority may suspend the student for up to ten days, choose another disciplinary alternative, or exonerate the student. A written record of this action must be kept on file.

- If suspension is involved: A parent must be notified before the student is allowed to leave the campus. If no parent contact is made, the student should be isolated until dismissal time and then given a written message to the parents.

- Written documentation of the incident including the infraction and consequences will be available to the parent. During the suspension and alternative school assignment, the student is not to be on the school grounds and may not participate in any school related activities. The student may make up all work missed within a specified number of days.

INTERROGATIONS AND SEARCHES:

Interrogations (Policy JIH):

- The district has legal custody of students during the school day and during approved curricular and extracurricular activities. It is the responsibility of the school administration to make an effort to act on behalf of parents in their absence with respect to interrogations by law enforcement officials. A parent may, or a school administrator shall, be present during these interrogations except when interviews are conducted by a child protective services worker pursuant to A.R.S. 8-224 (B) and 8-546.01 (2).

- When a student is taken into custody (arrested), the arresting officer shall be requested to notify the student’s parent or guardian. The arresting officer will be asked to complete and sign a “Form for Signature of Arresting Officer” JIH-E (2). School personnel shall make every reasonable effort to notify parents that a student has been taken into custody. The personnel of the District shall cooperate fully with the police. When the arrest is formally made, the District and its employees no longer exercise jurisdiction over the student.

Searches:

- The administration has the right to search and seize property, including school property temporarily assigned to students, when there is reason to believe that some material or matter detrimental to health, safety, and welfare of the student(s) exists.

- Items provided by the District for storage (e.g. lockers, desks) of personal items are provided as a convenience to the student but remain the property of the school and are subject to its control and supervision.

- STUDENTS HAVE NO REASONABLE EXPECTATION OF PRIVACY. Lockers, desks, storage areas, backpacks, pockets, purses, etc. may be inspected at any time with or without reason, or with or without notice, by school personnel utilizing proper authorities JIH-E (1). For instance, the school may allow trained drug-sniffing dogs onto campuses as a cautionary procedure.
Dear Parent:

The Family Educational Rights and Privacy Act (FERPA), affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. The Governing Board has established written policies regarding the collection, storage, retrieval, release, use, and transfer of student educational information collected and maintained pertinent to the education of all students to ensure the confidentiality of the information and to guarantee parents’ and students’ rights to privacy. These policies and procedures are in compliance with:

- The Family Education Rights and Privacy Act; Title 20, United States Code, Sections 1232g and 1232h; and the Federal Regulations (34 C.F.R., Part 99) issued pursuant to such act;
- Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (USA PATRIOT ACT);
- No Child Left Behind Act of 2001 (NCLB); • The Individuals with Disabilities in Education Act; 20 U.S.C. Chapter 33; and the Federal Regulations (34 C.F.R. Part 300); and
- Arizona Revised Statutes, Title 15, sections 141 and 142.

Student education records are collected and maintained to help in the instruction, guidance, and educational progress of the student, to provide information to parents and staff members, to provide a basis for the evaluation and improvement of school programs, and for legitimate educational research. The students’ records maintained by the District may include—but are not limited to—identifying data, report cards and transcripts of academic work completed, standardized achievement test scores, attendance data, reports of psychological testing, health data, teacher and counselor observations, and verified reports of serious or recurrent behavior patterns.

These records are maintained by the District under the supervision of the school administrator at the school the student attends or last attended and are available only to the teachers and staff members working with the student. Upon request, the school discloses education records without consent to officials of another school District in which a student seeks or intends to enroll. Otherwise, records are not released to most agencies, persons or organizations without prior written consent of the parent [34 C.F.R. 99.7].

You shall be informed when personally identifiable information collected, maintained, or used is no longer needed to provide educational services to your child. The information must be maintained for four (4) years after the date your child was last enrolled in this school District.

You have the right to inspect and review any and all records related to your child within forty-five (45) days of the day of receiving a request for access, including a listing of persons or organizations who have reviewed or have received copies of the information [34 C.F.R. 99.7]. Parents who wish to review their children’s records should contact the principal for an appointment or submit to the principal a written request that identifies the record(s) you wish to inspect. School personnel will make arrangements for access and notify you of the time and place where the records may be inspected. School personnel will be available to explain the contents of the records to you. Copies of student education records will be made available to parents when it is not practicable for you to inspect and review the records at the school. Charges for the copies of records will be costs of copying unless the fee prevents the parent from exercising rights to inspect and review those records.
Annual Notification to Parents

You have the right to request that an amendment be made to the student’s education records and to add comments of your own if you believe information in the record file is inaccurate or misleading [34 C.F.R. 99.7(a)(1)]. You should write the principal, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by you, the school will notify you of the decision and advise you of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you when notified of a right to a hearing.

You have the right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on a school board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

You have the right to file a complaint with the Family Educational Rights and Privacy Act Office in Washington, D.C., concerning alleged failures by the school to comply with the requirements of FERPA [34 C.F.R. 99.7]. The name and address of the office administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202-4605

Copies of the District student education records confidentiality policies and procedures may be reviewed in the assigned office of each school [34 C.F.R. 99.7(a) (5) and 99.7(b)].
VISITOR PROCEDURES
To ensure the safety and wellbeing of our community, visitors and non AESD employees on Avondale campuses will be discouraged except for emergency situations or essential business. The number of visitors may be limited. Visitors are considered those individuals who are not essential for Avondale operations, such as parents or vendors. Parents picking up students should report to the school’s front office and met their child there. If you are a vendor and/or a visitor with business that is deemed essential, completion of an attestation of wellness and a temperature test is necessary prior to access beyond the lobby. A yes answer to any of the self-assessment, or a temperature above 100.4, will result in the inability to enter our facilities. Masks are required at all times when moving about our facilities and when within 6 ft of someone else.

1. Have you been in close contact with a person known to have COVID-19 since the last time you came to work?
   a. being within approximately 6 feet (2 meters) of a COVID-19 case for a prolonged period of time; close contact can occur while caring for, living with, visiting, or sharing a health care waiting area or room with a COVID-19 case
   b. having direct contact with infectious secretions of a COVID-19 case (e.g., being coughed on).
2. Have you had a fever in the last 24 hours?
3. Do you have any new cough or shortness of breath, chills, muscle aches, any new loss of sense of smell or taste?

IF YOU ANSWER NO TO ALL OF THE ABOVE, PLEASE COME IN AND SIGN IN ON THE ACCOMPANYING CLIPBOARD/SIGN IN SHEET.

IF YOU ANSWER YES TO ANY OF THE ABOVE, WE ASK THAT YOU DO NOT ENTER. IF YOU ARE WITH A VENDOR HIRED BY THE DISTRICT, PLEASE CONTACT YOUR SUPERVISOR TO MAKE THEM AWARE AND ASK THAT THEY GET IN TOUCH WITH THEIR CONTACT AT THE DISTRICT.

* Alternatively, an Avondale employee may read these questions aloud to the visitor.

VISITORS TO THE CAMPUS

The safety of children is a priority. Avondale Elementary Schools welcome and encourage parents and other community members to visit the school at any time. ALL VISITORS, INCLUDING PARENTS, MUST CHECK IN AT THE SCHOOL OFFICE BEFORE ENTERING THE SCHOOL.

♦ NO TRESPASSING signs are installed at each campus to discourage individuals from wandering around the campus. No person shall visit a classroom or other school activity without the approval of the principal. Failure to comply with this requirement is in violation of the law. Administrators have discretion to prohibit any items that may jeopardize the safety and security of students. Visitors will be issued an identification badge.

♦ All AESD staff are issued ID badges and should wear them at all times while on campus.
CAMPUS SAFETY AND SECURITY

♦ Prior approval by the principal or designee is required for those who wish to visit a classroom during the school day. It is preferred that the teacher and the principal be contacted in advance to arrange a day and time for such visit to avoid any conflicts with the school schedule. In visiting a classroom, parents must realize that the teacher’s first responsibility is to the class as a whole, and the teacher will be unable to converse at any length with the visitor. If a conference is desired, the teacher will make arrangements for an appointment with the parent either before or after school hours.

♦ Anyone who is not a student or staff member of the District may be asked to leave the property of the District. Failure to comply with the lawful directions of District officials or of District security officers or any other law enforcement officers acting in performance of their duties, and failure to identify oneself to such officials or officers when lawfully requested to do so, is against District regulations. Failure to obey such instructions may subject the person to criminal proceedings applicable under law.

♦ Students who are not enrolled in school or are on suspension may not participate in classroom activities, field trips, and after-school activities.

♦ Skateboards, bikes, scooters, etc. are not to be ridden on district property at any time.

SCHOOL VOLUNTEERS

Please see visitor procedure above.

To ensure the safety of our students, each individual who wishes to volunteer at a school must first complete a volunteer application form. This form is maintained at the school site in a confidential file for the duration of the individual’s volunteer efforts at the school. Any person, other than parents/guardians of enrolled students, must complete a fingerprint clearance form.

School volunteers always work under the supervision of the professional staff at each school and only with those staff who have requested the services of the volunteer. The district is responsible for the education, safety and well being of each student. Understandably for these reasons, the teacher and/or principal may dismiss any volunteer whose actions are not in the best interest of the school or students.
CAMPUS SAFETY AND SECURITY

DRUG-FREE SCHOOL ZONE

Each campus and the surrounding 300 feet are covered under the Drug-Free School Zone Act. The Act is part of Arizona Revised Statute 13-3411. The Legislature has revised this law to ensure that criminal gang activity and drugs in our community will not be tolerated. People prosecuted for drug crimes committed around our schools will face stronger penalties and will be ineligible for parole.

The non-medical use, possession, distribution, or sale of drugs on school property or at school events is prohibited. Non-medical is defined as “a purpose other than the prevention, treatment, or cure of an illness or disabling condition.”

Students in violation of the provisions of the above paragraph shall be subject to removal from school property and shall be subject to prosecution in accordance with provisions of the law. Students attending school in the District who are violation of the provisions of this policy shall be subject to disciplinary actions in accordance with the provisions of school rules and/or regulations (POLICY JICH). For purposes of this policy, “drugs” shall include, but not be limited to:

♦ All dangerous controlled substances prohibited by law;
♦ All alcoholic beverages;
♦ Any prescription or patent drug, except those for which permission to use in school has been granted pursuant to Board Policy;
♦ Hallucinogenic substances;
♦ Inhalants;
♦ Vape Pens/Devices;
♦ Electronic Cigarettes.

Any student who violates the above may be subject to warning, reprimand, probation, suspension, or expulsion, in addition to other civil and criminal prosecution pursuant to A.R.S. 13-3411.

PUBLIC CONDUCT ON SCHOOL PROPERTY

Conduct Expected of All Persons On or Using District Property (POLICY KFA)

No person on or using school property for any purpose shall engage in:

♦ Conduct intended to obstruct, disrupt, or interfere with teaching;
♦ Physical abuse, verbal abuse, or threat of harm to any person or property;
♦ Damage or threat of damage to District property;
♦ Forceful or unauthorized entry to, or occupation of District facilities, including both buildings and grounds;
♦ Carrying or possessing a weapon on school grounds, except peace officers;
♦ Unlawful use, possession, distribution, or sale of tobacco, alcohol, drugs, or other illegal contraband;
♦ Conduct or speech that violates commonly acceptable standards in the District;
♦ Failing to comply with lawful directions of District officials, security officers, or other law enforcement officers;
♦ Deliberate violations of District rules and regulations;
♦ Any conduct constituting and infraction of any federal, state, or city law or policy or regulation of the Board;
♦ Smoking on school property;
♦ Visiting a classroom or other school activity without the approval of the principal;
♦ Drinking of alcohol and gambling are prohibited;
CAMPUS SAFETY AND SECURITY

Persons who engage in disorderly conduct may be subject to removal from the facility.

School officials shall grant use of facilities only for legitimate purposes.

A.R.S. 13-2911: Interference with or disruption of an educational institution by threatening physical injury to employee or student, or cause damage to property is a class 6 felony. Interference with or disruption of an educational institution knowingly refusing to obey a lawful order given is a class 1 misdemeanor.

A.R.S. 15-507: A person who knowingly abuses a teacher or other school employee on school grounds or while the teacher or employee is engaged in the performance of his duties is guilty of a class 3 misdemeanor.

PARENT LIABILITY

Under Arizona law, parents are liable for damage done to school property by their children. A student who cuts, defaces, or otherwise damages any school property may be suspended or expelled from school. The student’s parents will be charged with the cost of such damage (POLICY JQ). The district expects and budgets for replacement or repair of items and fixtures necessitated by normal wear and tear. We believe that parents and taxpayers should not be required to underwrite premature replacement or repair caused by negligence or malicious vandalism. Our policy on parent responsibility for such costs is, therefore, strictly and fairly enforced.

GRAFFITI IS A CRIME

According to the Maricopa County Attorney, anyone defacing or damaging public or private property is breaking the criminal law and will be prosecuted for violating A.R.S. 13-1602. Criminal damage includes marking a message, slogan, sign, or symbol on any public or private surface without the owner’s permission. Upon conviction, the first offense requires suspension of a juvenile’s driver’s license until the age of 18. In addition to criminal penalties, parents of minors who commit graffiti crimes may be liable for up to $10,000 in civil penalties. District consequences for destruction of property/graffiti range from parent conferences to long-term suspension and or recommendation for expulsion.

STUDENT BElongINGS

Books, purses, notebooks, jackets, and all personal belongings should be permanently marked with student’s name. Students are not to bring expensive items such as jewelry, electronic devices, cameras, CD/mp3 players, etc. to school. Students are strongly encouraged not to bring personal belongings to school to avoid theft, loss, or damage. These items are not the school’s responsibility. The use of book bags by students is discouraged due to security and safety. Each campus may have specific guidelines for the use of book bags.

ELECTRONIC DEVICES

Electronic devices or toys often interfere with the orderly operation of the school and may cause a disruption to the learning environment. School rules may prohibit such items as cell phones, iPods, audio devices, electronic games or any other electronic devices. Unless previously authorized by the school’s administration or designee, students are not to use personal electronic devices for the purpose of taking pictures or video/audio footage of others at school, on the bus or at school-related activities/events. The school is not responsible when these items are lost or stolen.

SUPPLIES AND FEES

Avondale Elementary School District maintains a policy of providing free books and workbooks for students. Parents are responsible for all books and school property assigned to students and will be charged if items are lost, stolen, or damaged.
CAMPUSES AFETY AND SECURITY

PEST MANAGEMENT IN PUBLIC SCHOOLS

Governing Board Policy (per A.R.S. 15-152) ensures that students, employees, and parents receive adequate notice prior to the application of any pesticide. The amount, type, and method of pesticide applications will remain unchanged. The site administrator shall be the contact person providing information regarding pesticide application, including, but not limited to, giving oral and written notification.

During the regular school session: Students and school employees shall be provided oral notification of pesticide application 48 hours prior to the application of such pesticides. Schools will also provide written notification though newsletters, school menus, etc. Areas to receive pesticide application will be posted with a notice 48 hours prior to the application. The notice will remain in place for 48 hours following the application.

VEHICLE AND HIGH TOUCH SURFACES DISINFECTION SCHEDULE

I. Vehicle Disinfection

Avondale buses will be cleaned thoroughly on a weekly basis.

High Touch Surfaces Cleaning

The following surfaces will be cleaned within Avondale buses weekly. Avondale will maintain records of each driver who uses a vehicle and students who are eligible to ride the bus each day in the event contract tracing is needed.

(Note that this list is not intended to be exhaustive. Avondale employees should use their best judgment as to surfaces in buses which are frequently touched by both drivers and students and focus cleaning efforts there.)

In passenger areas, these include:

- Interior and exterior door handles
- Grab handles
- Window adjustment handles (if used by students)
- Seat belt buckles

In the driver area, these include:

- Steering Wheel
- Dashboard (if frequently touched)
- Center Console
- Shift Lever
- Seat belt buckles
- Switches and heat/cooling controls
- Keys
- Grab Handles
- Seat Adjustment Handles
- If applicable, garage door opener controls

These high touch surfaces will be wiped down using disinfecting wipes or a spray containing 70% or more alcohol. Each bus will have a COVID-19 Kit onboard that will include these wipes or spray, as well as gloves and hand sanitizer that the Avondale employee responsible for carrying out these cleanings will use. After completing this cleaning, that employee should discard their gloves and wash or sanitize hands.

CAMPUS SAFETY AND SECURITY

Weekly Cleaning

Once per week, Avondale bus interiors should be cleaned thoroughly using the ordinary methods for cleaning these vehicles. This cleaning should include disinfection of the high touch surfaces described above. Other interior surfaces, or “soft surfaces” like seating surfaces, should be cleaned in accordance with the CDC’s Disinfecting Facilities Guide. The guide allows for cleaning these surfaces using soap and water, or with cleaners appropriate for these surfaces, or disinfecting them with an EPA-registered disinfectant, as appropriate. These surfaces should be cleaned using the appropriate method for the vehicle interior in question.

In the event a COVID-19 infected person is determined to have been in an Avondale vehicle, the vehicle will be disinfected.

II. High Touch Surfaces on Campus

High touch surfaces in Avondale schools will be disinfected daily. These surfaces include the following items:

(Note that this list is not intended to be exhaustive. Avondale employees should use their best judgment as to surfaces on campus that are frequently touched by employees and students and focus cleaning efforts there.)

- Door handles and knobs
- Railings
- Counters, tables, and desktops
- Chair backs and arm rests
- Faucets and toilet handles
- Keyboards
- Light switches
- Any shared classroom equipment*

These items can be disinfected by wiping them down with one of the following three cleaning solutions.

1) An EPA-registered List N Disinfectant
2) A diluted Household Bleach Solution that includes:
   - 5 Tablespoons (1/3 cup) bleach per gallon of water OR
   - 4 Teaspoons bleach per quart of water.
3) An alcohol solution with at least 70% alcohol.

Note that when using either of the bleach or alcohol-based solutions described above, the solution will be left on surface for at least 1 minute prior to wiping clean. For EPA-registered disinfectants, the solution should be left on the surface for as long as the EPA provides on its website, https://www.epa.gov/pesticide-registration/list-n-disinfectants-use-against-sars-cov-2-covid-19. The employee cleaning the surface should wear gloves and ensure good ventilation while disinfecting.

* Sharing classroom equipment use should be eliminated wherever possible, otherwise adhere to the cleaning methods described above. For any other shared classroom equipment, wipe down the shared equipment/supplies with either alcohol wipes or if unavailable, sprays that contain at least 70% alcohol after each student’s use.
ATTENDANCE/PROMOTION AND RETENTION

ARIZONA COMPULSORY ATTENDANCE LAW

Students must be in school until they reach the age of 16 or successfully complete the 10th grade (A.R.S. 15-802). Students should be on time and present at school unless they are ill or there is an emergency. Students may not participate in after school activities or dances unless they have been in school for at least half of the school day.

Avondale Schools have a closed campus policy. Students must stay at school all day, unless they are checked out through the office by a parent, guardian, or designee.

ABSENCES

The following procedures are designed to keep the school and parents informed about absences (POLICY JH-R):

♦ Notify school before 9:00 AM if your child is going to be absent. Send a note with another child or phone the attendance clerk.

♦ When a child is absent and no message has been received from the parents, someone from the school will phone the parents.

♦ Send a note to the attendance clerk explaining the reason for the absence or return absence verification form.

♦ This policy applies to both in-person and online distance learning.

♦ Attendance is taken daily for all in-person, flex distance and digital academy students.

Excused absences include bereavement, medical reasons, and religious holidays. Please do not send children to school when they appear to be ill. The health of all children depends on keeping contagious diseases isolated at home.

TARDIES

If it is necessary for your child to be late for school, please call the school office or send him/her with a note of explanation. The child MUST CHECK INTO THE SCHOOL OFFICE for a tardy slip (late pass) before going to class. It is preferred that children come to school for part of the day rather than miss the entire day. Good judgment on your part should be the rule. If a student is not in his/her seat when the bell rings and does not have an appropriate pass when arriving late to class, the student is tardy. When a student has three tardies to a class in a quarter, he/she will be referred to the school administrator for appropriate action.

COURT UNIFIED TRUANCY SUPPRESSION PROGRAM (CUTS)

The CUTS program, administered by the Division of Community Services under the direction of the Maricopa County Juvenile Probation Department, is a diversion program designed for juveniles who commit a first or second truancy offense and are willing to take responsibility for their behavior. CUTS consists of a probation officer, school official, parent and student coming together to address truancy. The goal of the program is to increase school attendance. The philosophy of CUTS is that when a student’s truant behavior is confronted by a team, including parents, school officials and a representative of the Court, the student is less likely to continue the behavior.

Students will be referred to the CUTS program on their fifth (5th) unexcused absence or when the student
ATTENDANCE/PROMOTION AND RETENTION

has been absent ten percent (10%) of the school year (18 school days). The probation officer, with the help of school officials and parents, decides the consequences for the truant student. Consequences may include, but are not limited to, community service, an educational class for both student and parent and/or counseling. The parent will be assessed a fee. All consequences must be completed within 30 days following the CUTS meeting. Failure to comply with these sanctions results in the case being set for a court hearing in Juvenile Court. (see letter)

School attendance is not only a good habit, state law requires it. Arizona State Law (15-802.A, 15-803.E) requires every person who has custody of a child between the ages of six and sixteen years shall make sure the child attends school for the full time school is in session unless unable to attend due to illness or another legitimate reason.

To encourage and improve school attendance, AESD #44 has implemented a truancy program in partnership with Maricopa County Juvenile Court. This truancy program is called C.U.T.S. (Court Unified Truancy Suppression). We will be tracking attendance very closely. Your child is expected to be at school every day, unless there is an excused reason not to be. An absence is defined as a minimum of one missed class period per day. An unexcused absence will count as a truant day as defined by law. A student is “habitually truant” if he/she has five or more unexcused absences from school. A student that is absent more than ten percent (18 days) of the required number of school days per year is considered to have “excessive absences” whether the absence is excused or unexcused.

When a student has five or more unexcused absences or 18 excessive absences (excused OR unexcused), the student can be cited to the CUTS Program through the Juvenile Court. The hearing will be held on the school campus with representatives from the school and the Juvenile Court. A parent or legal guardian must be present with the student at the time of the hearing. Consequences at the hearing may include the following: required attendance of the parent and the child at an education class (to be held on Saturdays), work hours assigned to the child, counseling, etc. The parent will be assessed a $50 Diversion fee. Failure to complete these consequences may result in suspension of your child’s driver’s license, or inability to get a driver’s license until their 18th birthday and/or formal court proceedings. It is the parent’s/ guardian’s responsibility to ensure their child’s attendance in an approved academic setting. If you fail to take the necessary steps to provide your child with appropriate education you may receive a citation. If convicted, it is a Class 3 misdemeanor punishable by jail time and/or fine.

The education of your child is extremely important to us. This program is another way that Avondale Elementary School District is working with the community to ensure a quality education for all students. If you have any questions or concerns, please feel free to contact your student’s school for more information.

REFUSAL TO READMIT TO CLASS

During the 1997 Arizona State Legislature, A.R.S. 15-841 was approved. This statute allows teachers to refuse to readmit students to their classroom, based upon the following conditions:

♦ The pupil has repeatedly interfered with the teacher’s ability to communicate effectively with other pupils in the class or with the ability of the other pupils to learn.

♦ The pupil’s behavior is so unruly, disruptive, or abusive that it seriously interferes with the teacher’s ability to communicate effectively with the other pupils in the classroom or with the ability of the other pupils to learn.

A school placement review committee will convene within three business days to determine either to place the student in a new class or return the student to the existing class if that is the best or only practical

alternative. If the student is qualified for educational services under the Individuals with Disabilities Education Act (IDEA), any change in the student’s Individualized Education Program (IEP) shall be determined by the IEP team in accordance with federal regulations.

RELEASE FROM SCHOOL

Occasionally, parents may need to take their child home before the usual dismissal time. Parents must get office permission before taking a child out of class. ALL CHILDREN MUST BE SIGNED OUT FROM THE OFFICE. THEY WILL NOT BE RELEASED FROM THE CLASSROOM. This is a safety precaution to ensure that no unauthorized person may take any child. The student will not be allowed to walk home prior to dismissal time. No student will be released from school to any person other than the parent or legal guardian unless the school has positive proof that the parent having custody or legal guardianship has given permission for the release. In the event parents are legally separated, the school shall release the student only with the consent of the parent who has custody.

At the close of the school day, students are expected to leave campus. If students are not picked up within a reasonable period of time, local law enforcement officials will be notified to take the child home.

PROMOTION AND RETENTION OF STUDENTS Policy IKE (1)

Promotion from year to year will be based upon standards for each basic subject area as identified in the course of study Policy IKE (1). Recommendations for promotion or retention shall be consistent with the state Academic Standards and District approved curriculums. Test scores, grades, teacher/principal recommendations, and other pertinent data are used to determine promotion.

Retention of students is a process that is followed when the professional staff, in consultation with the parent, determines it is to be in the best interests of the student. Though primary grades are suggested as the most appropriate time, retention may be considered at any grade level.

Promotion and retention decisions for students enrolled in Special Education shall be considered consistent with the individual education plan (IEP) and in accordance with A.A.C. R7-301, AESD Policy IKE-2

HealthyVerify Procedures
Avondale Elementary School District
August 5, 2021

The procedures below are an excerpt from the HealthyVerify plan prepared for Avondale Elementary School District (“Avondale”). These procedures represent some of the actions Avondale is taking to reduce the likelihood that infectious diseases, including COVID-19, will be transmitted on its premises. Although no precautions can fully eliminate the risk of disease transmission, Avondale’s procedures are intended to create a healthier environment.

The procedures below relate to Avondale campuses, classrooms, and buses, as well as the cleaning processes used in each of these areas. This excerpt is intended to provide an example of the actions currently being undertaken by District. Note that this is only an excerpt of Avondale’s comprehensive HealthyVerify procedures document. Avondale’s comprehensive procedures also address protections for Avondale employees, food safety, and compliance matters, among others.
I. Campus and Classroom Procedures

A. Student Health Monitoring

Avondale will require that parents monitor their child’s health on a daily basis and keep their child at home if the child is experiencing illness symptoms or comes into close contact with a person known to be infected with COVID-19. Parents will be made aware of this requirement through the addition of the highlighted language below to the 2021-2022 Parent/Student Handbook, in addition to consistent, ongoing reminders included in subsequent Avondale communications:

Avondale Elementary School District now requires that you, as a parent or guardian of an Avondale student, closely monitor your child for illness symptoms or fever every day before sending your child to school. For the health and safety of our children, faculty, and community, please review the questions below. Consider the following questions every day before you send your child to school. If any of the following apply to your child, keep your child at home.

• Has your child had a fever, which is defined as a temperature of 100.4F or above, in the last 24 hours?

• Has your child experienced any new cough or shortness of breath, chills, muscle aches, vomiting, diarrhea, or any loss of sense of smell or taste?

• Has your child been in close contact – at home or otherwise – with a person known to have COVID-19 since the last time he or she came to school? (Close contact is defined as being within 6 feet of an infected person for a period of 15 minutes or longer.)

Any child who has a fever as defined above or any of the symptoms listed above shall stay home. The student will be allowed to resume on-campus classes according to criteria described in Subsection B below.

Avondale will facilitate remote or virtual learning access for those students who must remain at home because of their symptoms, or who have household contact with persons diagnosed with COVID-19, or that test positive for COVID-19 regardless of symptoms.

B. Return to Campus Criteria

Students who have a fever or symptoms as listed in above Subsection A, or who have come into close contact with a person diagnosed with COVID-19, at home or otherwise, will be permitted to return to class on-campus under the following circumstances:

• If a symptomatic student tests positive for COVID-19 (PCR or antigen testing): Return to school after they have not had a fever for 24 hours (without the use of fever-reducing medicines), other symptoms have improved, and 10
days have passed since symptoms first appeared.

- **If a symptomatic student tests negative for COVID-19 (PCR or antigen testing):** Return to school after they have not had a fever for 24 hours (without the use of fever-reducing medicines) and other symptoms have improved.

- **If a symptomatic student has not been tested:** Return to school after they have not had a fever for 24 hours (without the use of fever-reducing medicines), other symptoms have improved, and 10 days have passed since symptoms first appeared. Students who have been under ongoing physician’s care for a non-COVID-19 illness or condition that may share a non-fever symptom with COVID-19, but one which is consistent with that student’s past medical history, may return to school based on the timeframe recommended by that treating physician.

- **If an asymptomatic student has close contact with a confirmed case of COVID-19:** Stay home for 10 days and monitor symptoms, regardless of PCR or antigen test result.

- **If an asymptomatic student who has been fully vaccinated has close contact with a confirmed case of COVID-19:** Continue coming to school while following all applicable HealthyVerify procedures outlined in this document. Note that fully vaccinated means the student has received both doses of the mRNA (Pfizer or Moderna) COVID-19 vaccine, and at least two weeks have passed since the second dose was administered. Students who have received the Johnson & Johnson vaccine are considered fully vaccinated after at least two weeks have passed since the single dose is administered.

- **If an asymptomatic student tests positive for COVID-19 (PCR or antigen testing):** Stay home until 10 days have passed since the day the test was done. Alternatively, students tested by PCR or antigen test at least 5 days after exposure may return after 7 days if they remain symptom free and have a negative test result.

**Special criteria for persons with severe/critical illness or who are severely immunocompromised:** Studies have shown that severely immunocompromised individuals and people who have severe/critical cases of COVID-19 can remain contagious longer than others. Therefore, Avondale will adhere to ADHS guidelines for these special cases:

- **If a student is symptomatic:** Return to school after 20 days have passed since symptoms first appeared, at least 24 hours have passed since last fever (without the use of fever-reducing medicines), and other symptoms have improved.

- **If a asymptomatic student tests positive for COVID-19 (PCR or antigen testing):** Return to school once 20 days have passed since first positive COVID-19 PCR/antigen test was taken, unless symptoms develop, in which
case the rule directly above applies.

Avondale staff will encourage parents of students to call their health provider for advice on testing for COVID-19. Avondale will facilitate remote or virtual learning that enables students to stay home when they are sick or they have been exposed to a person with COVID-19, without negative impact on their learning or school performance, provided they are well enough to participate.

C. Student Arrivals and Campus Measures

Avondale will take the following steps to mitigate the risk of disease transmission on its campuses:

1. Avondale will actively encourage students to stay at home if they feel ill or have had close contact with someone who has COVID-19. The district will create a strong line of communication with parents regarding pre-screening, social distancing measures, and the need for mask wearing. This effort will remind parents of the importance of adhering to the policy described in Subsection A above.

2. Parents escorting their child to school will be advised to refrain from entering the campus when doing so, unless absolutely necessary.

3. Upon arrival at school, students will go directly to their classrooms or a meeting area with their designated “cohort.” Cohorts are small groups of students that will maintain consistent schedules each day. Staff will remind students throughout the campus during arrival to go to this classroom or meeting area immediately, and parents will be reminded of this policy. For students eating breakfast at school, meeting areas may be in the cafeteria, provided that cohorting is consistent and social distancing, to the extent possible, is maintained. Further, provided that cohorting and social distancing are utilized, students may eat breakfast in the cafeteria or their individual classrooms as Avondale deems appropriate.

4. Hand sanitizing stations will be placed at the entrance of the campus with signage encouraging frequent use.

5. Signs will be placed on water fountains that indicate they are not to be used. Instead, students and employees will be directed to obtain water from water stations that enable touchless water bottle filling.

6. Avondale shall ensure at each school’s ventilation system is operating properly.

D. Campus Visitors

Visitors on Avondale campuses will be discouraged except for emergency situations or foessential school business. Visitors are considered those individuals who are not essential for Avondale operations, such as parents or vendors. Parents picking up students should report to the school’s front office and meet their child there.
E. Classrooms

Avondale will take the following steps to mitigate the risk of disease transmission in its classrooms:

1. Students who are not cohorting will have assigned seating.

2. Student belongings will be kept separate and isolated from one another, such as in designated cubbies or partitioned storage. Cubbies or other in-classroom storage will be assigned to individual students and be consistently used by that student.

3. Whenever possible, the sharing of objects between students will be discouraged, including sharing of personal belongings like backpacks or cell phones. For essential supplies like pencils, pens, etc., where possible, students will have their own pack of supplies, labeled with the student’s name, and used exclusively by that student. Any other shared classroom equipment will be wiped down with either alcohol-based disinfecting wipes or if unavailable, sprays that contain at least 70% of alcohol, after each student’s use.

4. Each room will have hand sanitizer for the room for both student and employee use, and if running water is available in the room, students will be encouraged to wash hands frequently.

F. Restrooms

Avondale will take the following steps to mitigate the risk of disease transmission in its restrooms:

1. Depending on each restroom’s capacity, only a limited number of students will be permitted to use it at time. A limited hall or restroom pass systems may be used to minimize the number of students in the restroom at one time.

2. Where possible, students will be encouraged to use, whether through prior instruction or signage, every other urinal and bathroom sink in restrooms to facilitate social distancing. Where this is not possible, Avondale may install physical barriers such as plastic flexible screens between sinks. Restroom stalls are exempt due to their inherent physical barrier design.

3. Students will be reminded, whether through prior instruction or signage, of the importance of proper hand washing technique.

4. High touch surfaces in restrooms will be cleaned and disinfected pursuant to Section III.

G. Protective Attire

1. All students, except for those with special health needs, will be encouraged to wear masks, particularly when moving around campus. Masks shall be required on buses. Avondale will communicate proper methods on how to wear, sanitize, and
properly maintain cloth face coverings to parents. Note that this rule is contingent on feasibility for the student in question. Students that have difficulty breathing, are younger than two years old, or who have other health conditions, should not wear masks.

2. Students will be encouraged not to touch their face, nose, mouth, and eyes.

3. Employees that work directly with students will be reminded to exercise caution, follow social distancing protocol whenever possible, and follow appropriate etiquette with masks, if wearing them. Employees will wear gloves when helping a student cleanup or when handling food.

H. Social Distancing and Cohorting

1. Students will be encouraged to maintain a 3-6 ft. social distance at all times. Signs and announcements may be used for this purpose.

2. Students will be reminded to practice respiratory etiquette, which includes covering coughs and sneezes.

3. Where possible, designated Avondale employees will monitor students to promote social distancing. (Note that all Avondale employees will encourage social distancing, this item refers to instances where it may be appropriate for additional monitoring.)

4. Where appropriate, markings will be placed at 3-6 ft. intervals to promote social distancing, such as in hallways, and in places where students may line-up, using tape or other methods deemed appropriate by Avondale.

5. Avondale will closely monitor class size and keep the number of students in each class as small as is feasible.

6. Avondale will limit intermingling between student groups and cohorts wherever possible. All student and staff groupings will be kept as static as possible by having the same groups of children remain with the same Avondale employees - all day for younger children, and as much as possible for older children. This applies during class and during recess.

I. Cafeteria

The following provisions apply to the cafeteria:

1. Students unable to bring their own meals will be encouraged to social distance in the line using floor markings or through other means while waiting to be served.

2. Students will be seated with their cohorts, and in a manner that allows for sufficient social distancing. Student groups will not be permitted to intermingle.

3. Individually wrapped grab and go meals are encouraged. Non-prewrapped meals may also be served if the employee serving the meal places the meal on a secondary
surface, such as a sanitized tray, and the student removes the meal from that surface.

4. Touchless payment for meals with student ID cards will also be encouraged. In the event a student must pay with cash, the employee receiving the cash payment will only handle cash with gloves and will wash hands and change gloves prior to handling food. All payment transaction equipment will be sanitized before and after each mealtime in accordance with the procedures described under Section III.

5. Disposable plates and silverware will be used when possible.

6. An Avondale employee will be designated at lunch and breakfast to promote social distancing while students are in the cafeteria.

7. Avondale will follow the cleaning and disinfection procedures outlined in Section III, to clean the cafeteria and classrooms after each mealtime.

8. Avondale will ensure that options for students with food allergies remain available.

J. Playgrounds and Gymnasiums

Physical activities will be planned in accordance with the following recommendations:

1. Playground equipment will be cleaned as usual in accordance with normal Avondale janitorial policy. Students will be encouraged to wash or sanitize hands before and after recess or gym class.

2. For the physical education courses, Avondale will stagger use of the gymnasium to permit classroom groups to be maintained and to minimize intermingling between groups.

K. Field Trips, School Gatherings, and Extracurricular Activities

Field Trips and School Gatherings: Initially during the 2021-2022 school year, field trips and large school gatherings, like assemblies, should continue to be avoided, although this requirement is subject to change as the school year progresses.

Extracurricular activities will resume, but with mitigation measures in place. Social distancing is exceptionally important for these activities, and cohorting should be used if feasible. Whenever possible, extracurricular activities should be held outdoors. Activities like choir, band, and theater will encourage wearing masks, and where possible, woodwind instruments will utilize coverings to reduce the spread of aerosolized particles. These requirements are subject to change as the school year progresses.

L. Youth Sports

Youth sports will resume during the 2021-2022 school year, pursuant to pending AIA guidelines.
M. Protocol for Students Who are Ill at School

Avondale shall separate employees and students exhibiting COVID-19 symptoms immediately, and these employees and students will be sent home. If an Avondale employee identifies a student who is demonstrating COVID-19 symptoms, they will direct that student to the health office and, if that employee is not the student’s teacher, notify that student’s teacher that the student is going to the health office. The employee will then escort the student to the health office, where the school nurse will determine whether the student should remain on campus or be sent home. If the student is sent home, they will be sent with materials regarding COVID-19 and the policy regarding returning to the campus. A designated Avondale employee will personally contact the parent or guardian of the student. Avondale will designate an area in the health office for anyone who is demonstrating COVID-19 symptoms and it will be isolated from other students. Avondale school nurses will be trained specifically on isolation protocols.

N. Students Who Are Medically Vulnerable

Special consideration (along with compliance to applicable state, federal, and local laws) shall be given to students with disabilities or who are medically vulnerable. As such, if possible, Avondale may have these students arrive at their own staggered time, promote virtual classroom learning, and have staggered schedules for these students. Whenever feasible, these students will wear face coverings and follow normal social distancing measures. Special emphasis will be placed on wearing face coverings for anyone, whether Avondale employees or other students, who interacts with these students. Avondale shall adhere to policies that protect the privacy of persons at higher risk for severe illness regarding underlying medical conditions.

II. Buses and Transportation

Avondale provides transportation services for its students going to and from campus. The sections below detail how Avondale will mitigate the risk of infection in its transportation operations, and include procedures for vehicle disinfection, vehicle assignment, route planning, and procedures to be taken during routes.

A. Vehicle Disinfection

Vehicles will be thoroughly cleaned on a weekly basis pursuant to the methods described under Section III. In the event a COVID-19 infected person is determined to have been in an Avondale vehicle, the vehicle will be disinfected, when feasible, pursuant to the methods described under Section III.

Each vehicle will have a COVID-19 kit on board. This kit may be used if a driver determines a student is exhibiting symptoms of COVID-19. This kit will contain hand sanitizers, disinfecting wipes or spray containing 70% or more alcohol, paper towels, and gloves, goggles, or a face shield. It is the obligation of the driver to notify Avondale if they need more supplies in the COVID-19 kit.
B. Vehicle Assignment

Wherever possible, vehicles will be used consistently by the same driver and students (if feasible). Drivers shall be assigned to the same vehicle and routes each day, and accordingly, the same group of students will ride in the same vehicle. Avondale will also maintain records of each driver and student who uses a vehicle each day in the event contact tracing is needed. It is the duty of the vehicle driver to notify Avondale of any students who they believe are ill and maybe demonstrating symptoms of COVID-19. Signs will be placed on buses, pursuant to the ADE Roadmap for Reopening, encouraging students and parents not to go to school if exhibiting symptoms.

C. Procedures During Routes

Drivers and students shall wear masks while in Avondale vehicles. Drivers will use the vehicle’s non-recirculating air conditioning function to improve ventilation within the vehicle and whenever possible/safe, and as weather allows, open the windows for air to recirculate. The number of riders in a vehicle at any one time will be minimized and the space between them shall be maximized. If feasible, students on the bus will have assigned seating.

III. Cleaning and Disinfection of Facilities, Schools, and Vehicles

Avondale employees and cleaning staff will follow the CDC’s directions for cleaning and disinfecting its facilities, schools, and vehicles. Under current CDC guidance, when no confirmed or suspected COVID-19 infected persons have been in a space, routine daily cleaning is sufficient. High touch surfaces shall be cleaned at least once a day or more often if Avondale determines necessary.

In the event a COVID-19 infected person is determined to have been in an Avondale facility, school, or vehicle, Avondale will disinfect areas where the person is known to have been by following the CDC facilities guide with respect to disinfection procedures. As such, Avondale will utilize EPA List N disinfectants, or other CDC recommended disinfection methods, under these circumstances.

*Note: Implementation of these HealthyVerify Procedures will not eliminate the risk of disease transmission. Employees and students may still become ill or transmit diseases to one another despite these Procedures being followed.
HEALTH INFORMATION

HEALTH CENTER

Each school in the District maintains a health center staffed with a certified School Nurse/Licensed Practical Nurse or Health Assistant. Please call the Health Center to report illnesses, especially those that are thought to be communicable. Students who become ill during the day must report to the Health Center. THEY ARE NOT TO LEAVE THE SCHOOL CAMPUS WITHOUT SCHOOL PERMISSION. Students are not allowed to walk home if they become ill at school. The Health Center will notify parents of students who become ill at school so that the students can be taken home. The screening may help identify other potential health concerns with vision and hearing.

Please see the nurse for any COVID related symptoms or questions.

In order for students to participate in sports, a physical is required each year. Contact the District’s Athletic Director, at 602-300-7680 for further information.

INSURANCE

Parents are strongly encouraged to purchase student accident insurance.

Accidents to students are not covered by the District insurance unless school negligence is proven. Forms for securing individual student accident coverage will be sent home or made available in the school office. Students who participate in inter-scholastic sport programs are required to show proof of other insurance coverage or purchase the student accident insurance (POLICY JLA). Sports physicals are a requirement before participating in any of the sports programs.

ADMINISTERING MEDICINE TO STUDENTS (POLICY JLCD-R)

Under certain circumstances, when it is necessary for a student to take medicine during school hours, the District will cooperate with the family physician and the parents if the following requirements are met:

♦ There must be a written order from the physician stating the name of the medicine, the dosage, and time that it is given.
♦ There must be written permission from the parent to allow the appropriate staff member to administer the medicine.
♦ The medicine must be delivered to the school Health Center by the parent or guardian in the original prescription container or, if it is over-the-counter medication, in the original container with all warnings and directions intact. All medications are to be given to the school nurse/licensed practical nurse or health assistant for administering.
♦ Inhalers must be kept in the health center with the exception of a written order from the physician stating that it is necessary for the child to have his/her inhaler with them at all times.
♦ Parents are responsible for picking up their child’s medication on the last day of school or signing a statement permitting release of the medication to the child.

The district may disallow the use or administration of any medication on the school premises if the threat of abuse or misuse of the medicine poses a risk of harm to any member(s) of the student population.

ACQUIRED IMMUNE DEFICIENCY SYNDROME

Decisions regarding the type of educational setting for a child who is infected with HIV virus shall be based on the behavior, neurological development, and physical condition of the child. The Superintendent shall decide appropriate educational placement after reviewing the recommendation of the Special Services Director, the School Principal, and the school nurse. The recommendation shall be formulated after consultation with the Public Health officials, the child’s physician, and the parents.
HEALTH INFORMATION

COMMUNICABLE DISEASE

Any student with, or recovering from, a communicable disease will not be permitted in school until the period of contagion is passed or until a physician recommends a return, in accordance with A.R.S. 36-629 and A.R.S. 36-629.01; appropriate regulations of the State Department of Health Services; and policies of the county health department POLICY JLCC (1).

Parents will be requested to provide a history of communicable diseases for each student, and such records will be kept and maintained by the district. A student suffering from a communicable disease shall be excluded from school for his/her own welfare and also to protect other students from illness. Early recognition of a communicable disease is of prime importance. The physician or Maricopa County Health Department shall make the decision for exclusion and readmission.

Administrative Procedures:

♦ Any student excluded from school under the aforementioned health regulation must receive clearance from the school nurse/licensed practical nurse before being readmitted to class.
♦ All diagnoses and suspected communicable diseases considered to be reportable under appropriate Arizona Department of Health Services rules and regulations and A.R.S. 36-621, are to be reported to the Maricopa County Health Department.
♦ Any student exhibiting symptoms of illness such as skin rashes, inflamed eyes, fever, and the like will be referred to the health center. The school nurse/licensed practical nurse will contact the parents/guardians depending on the condition of the student. The school nurse may request physician clearance before the student is allowed to return to school.

PEDICULOSIS (HEAD LICE) INFESTATION

The Avondale Elementary School District will enforce a no live lice policy. If the student is found to have live lice, the student will be sent home. The student will not be allowed to return to school until all live lice are removed. The student will be allowed one (1) excused absence for live head lice. The parent will be informed of the absence policy when the student is picked up. The only person authorized to assess a student for Pediculosis (head lice) is the school nurse. At no time will a classroom teacher do head checks. The school nurse will contact the parent via telephone to pick the student up from school. If there is no telephone contact or transportation available, the student may remain at school, but cannot have close contact with other students. Students with nits will not be sent home or prevented from returning to school.

If a student is out for more then two (2) school days for head lice, a telephone call or home visit will be made to the parent regarding attendance. The attendance office will make this contact. A student out for a longer period of time will be referred back to the school nurse for assistance. This assistance may be a telephone call to the parent or a home visit to ensure the parent understands the treatment process.

The school nurse prior to readmission to class will assess students. A classroom check will be done on the other students if they school nurse deems it is necessary.

IMMUNIZATION REQUIREMENTS

The Arizona Revised Statutes 15-871 through 15-874 and Arizona Administrative Codes Communicable Disease Rules R9-6-701 through 706 and Child Care Facilities R9-5-305 require that:

HEALTH INFORMATION

VISION AND HEARING SCREENING
Vision and hearing screenings are done in the fall at each school to include Kindergarten, 1st, 3rd, 5th and 7th grades. Students who are involved in Special Education will be screened in the first 45 days of each school year. These screenings should not take the place of recommended medical screenings. If your child should fail the school screening, a referral will be sent to you which should be filled out by a medical professional and returned to the school nurse/licensed practical nurse upon seeing the medical professional. Your child should also be examined by an appropriate medical professional if he/she complains of any audio or visual problems before or after the vision and hearing screenings.
Healthy Child Practice

The goal of this procedure is to establish clear and specific guidelines for parents/guardians in order for them to determine whether their child can come to school, remain at an/or return to school.

General Guidelines:
Children will not be allowed to attend school, remain at school and/or return to school if they are experiencing the following symptoms:

- Fever of 100.4°F or higher
- Chills
- Frequent persistent harsh cough that is not relieved with treatment
- Shortness of breath or difficulty breathing
- New loss of taste or smell
- Sore throat
- Fatigue*
- Muscle or body aches
- Headache
- Congestion or runny nose

*Children will not be sent home if fatigue is their only symptom.

If a child is home due to one of the above symptoms, Children may return to school following the healthy verify protocol:

- If a symptomatic student tests positive for COVID-19 (PCR or antigen testing): Return to school after they have not had a fever for 24 hours (without the use of fever-reducing medicines), other symptoms have improved, and 10 days have passed since symptoms first appeared.
- If a symptomatic student tests negative for COVID-19 (PCR or antigen testing): Return to school after they have not had a fever for 24 hours (without the use of fever-reducing medicines) and other symptoms have improved.
- If a symptomatic student has not been tested: Return to school after they have not had a fever for 24 hours (without the use of fever-reducing medicines), other symptoms have improved, and 10 days have passed since symptoms first appeared.

Students who have been undergoing physician’s care for a non-COVID-19 illness or condition that may share a non-fever symptom with COVID-19, but one which is consistent with that student’s past medical history, may return to school based on the timeframe recommended by that treating physician.

- If an asymptomatic student has close contact with a confirmed case of COVID-19: Stay home for 10 days and monitor symptoms, regardless of PCR or antigen test result.
- If an asymptomatic student tests positive for COVID-19 (PCR or antigen testing): Stay home until 10 days have passed since the day the test was done.
- If an asymptomatic student who has been fully vaccinated has close contact with a confirmed case of COVID-19: Continue coming to school while following all applicable HealthyVerify procedures outlined in this document. Note that fully vaccinated means the student has received both doses of the mRNA (Pfizer or Moderna) COVID-19 vaccine, and at least two weeks have passed since the second dose was administered. Students who have received the Johnson & Johnson vaccine are considered fully vaccinated after at least two weeks have passed since the single dose was administered.

The school reserves the right to request written notification from your child’s physician stating your child is in good health, can resume normal group activities and is not contagious.

**Special note regarding urination/defecation in pants/undergarments:**

If the parent/guardian is not available, in the best interest of the healthy practice and the student’s personal hygiene, the student will be taken to the campus nurse’s office and a two-person clothing change will initiate. At no time, will a student be left in soiled clothing.

Reduced price students .80¢ maximum charge.
Full paid students $5.00 maximum charge.

Adults and visitors may not charge meals.

Students may not charge a la carte items.

If a student has reached the maximum charge or the pending purchase would cause the student to exceed the maximum charge, an alternate meal will be provided. Students will not be denied nutrition due to a lack of money.

Alternate meals meet all nutritional guidelines established by The USDA.
**Breakfast Alternate Meal:** Cereal, graham cracker, milk and fruit.
**Lunch Alternate Meal:** Cheese sandwich on whole grain bread, milk, and fruit or vegetable of the day.

Students will continue to receive an alternate meal until account charges have been brought current.

No charges will be allowed to any lunch account during the last 10 operating days of school. All negative balances must be paid in full.
If a student’s meal eligibility status changes to free at any point during the year, negative balances from prior charges will remain on the account. A student with free meal eligibility will not receive the alternate meal even with a negative account balance however; the parent/guardian will still remain responsible to pay for charges incurred prior to the notification of the free meal status.

Each cafeteria will print weekly payment reminder slips for students with negative account balances. These payment reminder slips will be sent home with students via the classroom teacher.

It is the responsibility of the parent/guardian to monitor and maintain their student’s meal account balance. Meal account balances can be monitored free of charge by creating an online account at family.titank12.com. Parents/guardians can elect to receive email notification of low account balances or payment reminders through family.titank12.com. Student Meal Account Refunds

Parents/Guardians may request a meal account refund at any time during the school year by completing an Account Refund Request Form and submitting it to the school cafeteria or the Food and Nutrition Services Office. Refunds for balances of $5.00 or less may be refunded on site by the cafeteria (funds permitting). Refunds for balances exceeding $5.00 will be issued in the form of a check from the Food and Nutrition Services Office.

Requests for refunds for promoting students or withdrawn students must be made within one year of graduation or withdrawal from the district by submitting an Account Refund Request Form. Any Positive balance remaining after one year on an inactive account will become the property of the Avondale Elementary School District Department of Food and Nutrition Services. (This is for non-returning students only. Account balances for returning students automatically transfer to the new school year.)

Parents/Guardians may also elect to transfer any positive balance to another student account or to a donation account established to aid in the payment of student lunch debt for the Avondale Elementary School District. Transfers of student account balances may be made by submitting a Transfer Request Form to the Food and Nutrition Services Office.

Refund Request Forms and Transfer Request Forms are available on the Food and Nutrition Services Tab on the Avondale Elementary School District Web Site and in each school cafeteria.

When a Student is Engaged in Virtual and/or Livestream Instruction From a Remote Location

• The student should be aware of objects in the background and try to prevent others in the class from viewing items in the remote setting.

• The student may need to wear headphones or earbuds to prevent noise in the remote setting from distracting the hybrid class. Should ongoing distractions occur, and if student does not utilize headphones or earbuds, the teacher may have to mute the student in the remote setting.

Only the invited student may attend the virtual and/or livestream instruction from a remote location.

• Families must not disrupt or engage in students’ instructional processes. Families/parents who wish to assist in their child’s instruction from a remote setting must have prior approval from the District.

• If a parent or third party happens to be present when protected information is shared via virtual and/or livestream instruction, that person is prohibited from re-sharing the information.

• The link to the livestream instruction should not be shared with others.

Student behavior in a remote setting will be handled in a manner similar to in-person classroom settings.

Parents/guardians and students are prohibited from recording virtual and/or livestream instruction without District permission.

Electronic communication with teachers (audio and/or video) must be for legitimate educational purposes only. Legitimate educational purposes include matters relating to teaching, educational support, counseling, athletics, and extracurricular activities.

We all must work together to make our school campus as safe as possible for students, teachers, and staff. While Avondale Elementary School District is taking measures to reduce the risk of spreading COVID-19, we need our families to do the same.

You and your child are expected to follow the COVID-19 procedures as described below.

1. I have read Avondale Elementary School District’s COVID-19 mitigation plan which is posted on my child’s school website and which can be found by visiting the Parent Student Handbook. I also agree to abide by its COVID-19 mitigation requirements.

2. I will conduct a daily health screening of my child every day prior to my child arriving at school. I will keep my child home from school if my child has any of the following symptoms that are not related to an already diagnosed condition or illness, such as seasonal allergies or asthma:
   - Fever of 100.4°F or higher
   - Chills
   - Cough
   - Shortness of breath or difficulty breathing
   - New loss of taste or smell
   - Sore throat
   - Fatigue
   - Muscle or body aches
   - Headache
   - Congestion or runny nose
   - Nausea or vomiting
   - Diarrhea
   - Any other symptom of illness, whether or not you believe it’s related to COVID-19
   *Children will not be sent home if fatigue is their only symptom.

3. I understand that my child will be sent home if my child has any of these symptoms while at school. I agree that I will pick up my child within 1 hour from being notified by the school that my child is being sent home.

4. I understand that face masks are not required, but optional and strongly encouraged, while at school. Mask wearing is a decision each family must make for their child. I understand that I must speak with my child about my expectations. The school will have masks available for students should they lose their own.

5. I understand that while face masks are not required at school, my child must wear a face covering on a school bus, as required by federal mandate.

6. I understand that while the school will take such measures as it can to socially distance students while they are on-campus, it will not be possible for students to remain distanced at all times and in all situations during the school day.

7. I will immediately report to the school if my child has a confirmed positive COVID-19 test result, so that the school can take measures to attempt to contain any spread.

8. I understand that the school may change their quarantine requirements in the future, based on current conditions or updated local guidance. The current quarantine guidelines are below:

   a) **For students who are not fully vaccinated:** I will follow the quarantine guidance, which can be found on the Maricopa County Department of Public Health’s website at MCHD Quarantine Guidance 7212021 and is attached to this form. I understand that the quarantine guidance may change depending on updated and current COVID-19 infection and/or vaccination rates in the county and the school location.

   b) **For students who are fully vaccinated:** I understand that if my child is fully vaccinated and has been exposed or has come into close contact with a person who has COVID-19, my child will not need to quarantine, if proof of vaccination is provided to the school before the child’s return to school. My child will only need to quarantine if they have any symptoms associated with COVID-19. If that occurs, I will follow the school’s directions regarding any required quarantine.

   c) **For all students:** I understand that my child will be required to quarantine if they exhibit symptoms consistent with COVID-19.

9. I understand that Avondale Elementary School District will follow the Maricopa County Public Health Department’s protocols on the reporting of COVID illness at the school.

I, ________________________ ________________, certify that I have read, understand, and agree to comply with the provisions listed.

COVID-19 Parental Acknowledgement and Disclosure

It is important that you read the information below carefully, sign it, and return it to us before the start of school.

At a time when so much misinformation is circulating, we want you to clearly understand your responsibilities—and our objectives—when it comes to the safety of your child and our teachers, administrators, and staff.

While the form may seem long and detailed, the messages are those you’ve heard before:

- You must take your child’s temperature every day before school. (A temperature of 100.4 degrees Fahrenheit or higher is considered a fever.)
- If your child is sick, they must stay home.
- For safety reasons, parents and guardians will not be allowed on campus past the drop-off area unless there is an emergency.
- If your child comes into contact with someone who may have COVID-19, or who tests positive for COVID-19, you must let us know.

The form also confirms the school’s and district’s intent to:

- Monitor students for symptoms that could indicate a coronavirus infection, and if they do show symptoms, to call you right away to pick them up and take them home.
- Remain aware of changes in Centers for Disease Control (CDC) guidelines, and to follow the guidance of the CDC, the county health department, and the Arizona Department of Health Services.

Thank you for being our trusted partner and for helping us stay vigilant against this very serious illness.
Avondale Elementary School District
COVID-19 Parental Acknowledgment and Disclosure

Each statement below should be read by either a parent or the child’s guardian. **Signature by a parent or the child’s guardian is required.**

I understand that during this COVID-19 public health emergency, I will NOT be permitted to enter the facility/school beyond the designated drop-off and pick-up area. I understand that this procedure change is for the safety of all persons present at the facility/school and to limit to the extent possible everyone’s risk of exposure.

I understand that it is my responsibility to inform other members of my household of the information contained herein.

I understand that IF there is an emergency requiring me to enter the facility beyond the designated drop-off and pick-up area, I MUST wash my hands and wear a mask before entering. While in the facility, I will practice social distancing and remain 6 feet from all other people, except for my own child.

I understand that in order to attend school, my child must be free from COVID-19 symptoms. If, during the day, any of the following symptoms appear, my child will be separated from the rest of the class and moved to a supervised, secure area. I will be contacted, and my child MUST be picked up within 1 hour of being notified.

**Symptoms include:**
- Fever of 100.4°F or higher
- Chills
- Cough
- Shortness of breath or difficulty breathing
- New loss of taste or smell
- Sore throat
- Fatigue
- Muscle or body aches
- Headache
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea
- Any other symptom of illness, whether or not you believe it’s related to COVID-19

*Children will not be sent home if fatigue is their only symptom.*

While the District understands that many of these symptoms can also be due to non-COVID-19-related issues, we must proceed with an abundance of caution during this public health emergency.

Symptoms typically appear two to seven days after being infected. Your child will need to be symptom-free, without any medication, for twenty-four (24) hours before returning to school.

I understand that as the parent/guardian, I will need to take my child’s temperature prior to coming to school. I understand that, as the parent/guardian, I must also conduct daily self-screening of my child for symptoms prior to the child arriving at school.

I understand that my child will be required to wash their hands throughout the day using CDC-recommended handwashing procedures.

I understand that my child will be strongly encouraged to wear a face covering throughout the day.

I will immediately notify the Site Point of Contact if I become aware that my child has had close contact with any individual who has been diagnosed with COVID-19. The CDC defines “close contact” as being within 6 feet of an infected person for at least 15 minutes starting from two days before illness onset (or, for asymptomatic patients, two days prior to specimen collection) until the time the patient is isolated.

The Site/District will continue to follow the guidelines of both the CDC and state and local officials. As changes occur, parents and guardians will be notified. The Site Point of Contact will contact the Arizona Department of Health Services if any staff member or student contracts COVID-19 to help make crucial decisions on next steps.

I understand that, while present at school each day, my child will be in contact with children and employees who are also at risk of community exposure. I understand that no list of restrictions, guidelines, or practices will remove the risk of exposure to COVID-19. I understand that the members of my family play a crucial role in keeping everyone at school safe and reducing the risk of exposure by following the practices outlined herein.

I, ___________________________________________, certify that I have read, understand, and agree to comply with the provisions listed herein.
