

ARIZONA STATE TAX CREDIT CONTRIBUTION FORM

The Arizona tax law (A.R.S. §43-109.01) allows taxpayers a TAX CREDIT of up to \$400 per household if they contribute to extracurricular activities in public schools.

What is an extracurricular activity?

Extracurricular activities are optional, noncredit, educational activities that are offered before, during, or after school hours. Examples include: field trips; enrichment activities; athletic, music, and character development programs; and after-school clubs. These programs depend on fees from students. The Governing Board has approved a fee schedule, which designates the appropriate extracurricular programs.

Who is eligible?

This tax credit is available to all Arizona individual taxpayers regardless of whether or not they have children in school. An individual can contribute and receive tax credit for any amount up to \$200 annually, or a couple filing jointly can contribute up to \$400 annually.

Where does the money go? Does it have to be \$400?

You may indicate which school and which program you would like to support, or you can designate your money to be given to the school(s) with the greatest need. The credit may also be split between one or more schools or programs. You may donate up to your \$200 or \$400 limit all at one time or in installments during the calendar year.
