

Avondale Middle School

Welcome to Avondale Middle School where we believe “all children are capable of success no exceptions!”

At AMS, our staff focuses on preparing students for the next stage in their educational career... high school! We help our students develop into thinkers, problem solvers and communicators. We challenge our students academically, while supporting their social and emotional growth. Our classroom teachers prepare focused and challenging lessons that help our students grow academically.

We encourage our families to keep in contact with teachers, administration and staff. Your child will have multiple classroom teachers so communication is key! Please feel free to email or call teachers and/or administration at any time.

This year, Avondale Middle School is implementing the AMS binder to help students organize learning materials. Organization is a key component for success. Please ask your child to share their binder and walk you through their daily learning.

We ask for your support by ensuring your child:

- Attends school daily and on time.
- Completes daily homework assignments.
- Keeps his or her AMS binder organized.

You can also support your child by reviewing their weekly progress by accessing ParentVue on our Synergy parent portal.

If you need access, please contact our front office.

We look forward to an outstanding school year, because at AMS Panther Pride is hard to hide!

Ms. Linn
Avondale Middle School Principal
