Feedback

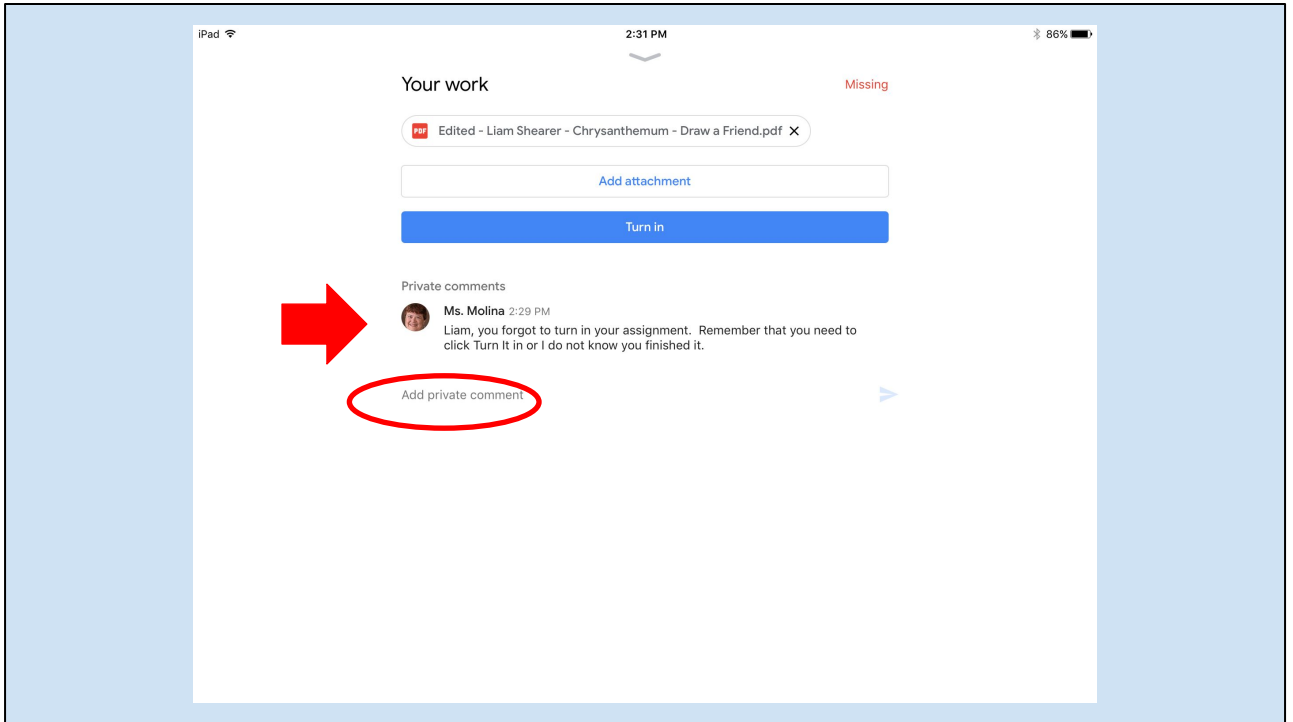

When you see a gray icon by the assignment, that means that it has been returned to you with a grade and sometimes feedback. You click on the tab to get to the assignment. If you do not see the assignment, pull down the screen to reload the page.

A gray assignment icon is different from the gray materials icon. It is always gray.

This is what the assignment will look like when you click on it. You will see the word Returned when I have returned it to you. If you see this, it means I have written something to you. To get to your feedback, click on the up arrow.

My comments to you are at the bottom. You can respond back to me here.
