

Welcome to Kindergarten

Hello families! My name is Ms. Zavala. This is my second year teaching kindergarten at CMSA. I am so excited to have you all join me in kindergarten this year!

I am looking forward to a school year where your child grows as a kid in all areas of their lives. I can't wait to get to know your kiddos and am hopeful for a great school year.

Welcome to school

Student Supply List

The following supplies are needed in kindergarten for each individual student. All of these supplies will be used throughout the school year!
